

Privacy Policy

Last Updated: 2024-12-17

At Tagging for Windows, we prioritize the privacy and security of your personal information. This Privacy Policy explains how we collect, use, and protect your data when you use our application, which integrates with the desktop and the Win32 Windows File Explorer. By using this application, you agree to the collection and use of information in accordance with this policy.

1. Information We Collect

Event Data & Diagnostic Data

Our application collects event and diagnostic data to help us understand how the app is performing and identify any issues that may require troubleshooting or improvement. This data includes information such as:

- Application usage patterns
- Errors and crashes that occur while using the app
- System metrics related to app functionality

This data remains on your local machine and is only sent to us if you agree and send it to us by e.g. email.

This data is used only for internal purposes, such as improving the user experience, fixing bugs, and optimizing app performance.

File and Folder Data

Our app integrates with your desktop environment and interacts with the Win32 Windows File Explorer. In doing so, the app collects:

- The names and paths of files and folders which are stored in the local database.
- This data is collected only for the purpose of functionality within the app. The app does not modify or delete any files or folders.

2. Data Usage and Purpose

The data we collect is used for the following purposes:

- To diagnose and resolve issues related to the app's performance and functionality.
- To enhance user experience by optimizing app behavior and ensuring compatibility with the desktop environment.
- To support the integration with the Win32 Windows File Explorer.

3. Data Storage and Retention

All data collected by our application is stored locally on your device. No data is sent outside of your device to any third-party server or service. We retain event and diagnostic data for as long as necessary to fulfill the purpose of troubleshooting and improving the app.

4. Data Sharing and Disclosure

We do not share, sell, or disclose any data collected from your device to third parties, except as required by law or in the event of legal proceedings. All data remains on your device and is not transmitted externally.

5. Data Security

We take the security of your data seriously and employ reasonable safeguards to protect it from unauthorized access, loss, or alteration. However, please note that no method of transmission over the Internet or electronic storage is 100% secure, and we cannot guarantee absolute security.

6. Your Rights and Control

Since no data is sent outside of your device, you retain full control over the data stored on your device. You have the ability to disable or remove the application at any time, which will prevent any further data collection.

7. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted in this document with an updated "Last Updated" date. We encourage you to review this policy periodically to stay informed about how we are protecting your data.

8. Contact Us

If you have any questions or concerns about this Privacy Policy or how your data is handled, please contact us at:
